

Local Woman Named to Key GOP Position

Mrs. Everett Snow of Torrance will hold a key position, that of corresponding secretary, in the Peninsula Club of Republican Women during 1954.

The local woman assumed her office Wednesday night last week when installation ceremonies were combined with the first meeting of the year at the Hollywood Riviera Club. Also seated were Mesdames Richard Key of Manhattan Beach, president; Lloyd Frothers of Westchester, vice-president; George Fenn of Rolling Hills, recording secretary; and Howard Jarboe of Manhattan Beach, treasurer.

Selection of two Torrance women to attend the Los Angeles County Federation of Republican Conventions at the Huntington Hotel highlighted the business agenda. Representing the club at the meet, held last Friday, were Mrs. Dean Sears and Mrs. L. May Sherfy.

The club's delegates to the 17th Congressional District Fact Finding Committee are Mrs. George Wing, 17th District president; chairman, and Mesdames Marion Key and Frothers, with Mesdames Jarboe and Fenn as alternates.

The club passed two resolutions endorsing stricter penalties for adults guilty of peddling narcotics to minors and petitioning Gov. Goodwin J. Knight to place Assembly Bill No. 85 on the agenda of the March, 1954 session of the California State Assembly.

Preventive measures dealing with the peddling of narcotics also were discussed, with a promise of further resolutions to be presented to the club.

The club plans an active study group, considering the Constitution, United Nations Charter, Organization of the Republican Party, campaign activities, as well as current national and state legislation in order to prepare appropriate resolutions. Members also plan a rummage sale as current national and are reminded to keep this in mind while "spring cleaning."

All women interested in learning more about the club and its political activities may do so by calling Mrs. Richard Key at FRontier 5-2453.

Formal Gowns Add Color To Rebekah Installation

As the installation panorama unfolded before a large crowd at the California Hall in Lomita Wednesday night last week, officers-elect of Trio Rebekah Lodge No. 240 made a colorful picture in formal varied hues.

Leading the parade with a corsage of baby rosebuds to match the rose trim in her royal blue gown was Edith Marriott, noble grand.

Lucille Mentz, district deputy president of District 84, Rebekah Assembly of California, led her installing staff into the hall, decked with lilies and trimmed gaily in blue and white. The deputy and her marshal wore white formals, while members of the staff were gowned in pink and green. All carried the three links symbolic of Odd-fellowship.

As the chaplain gave the prayer, the installing staff formed a cross in the center of the room, carrying red-tipped pencil lights that formed a cross on the ceiling as the lights were dimmed. After installation, the deputy and her staff entertained with drill work, forming the three links at the foot of the hall.

Also taking featured spots on the program were Marleen Henon playing an accordion solo, then teaming for a duet with Marty Anderson, clarinetist, and Jim Jones, who entertained with a trumpet solo. In charge of the program was Hattie Schroeder.

A large cake decorated in birthday motif to honor the noble grand, ice cream, and coffee were served at the conclusion of the program by Irma Powers, chairman.
